PROFILE SUMMERY

I am a talented Fabrication Welder, skilled in reading and applying technical drawings and consistently delivering high quality metal products. Excellent attention to detail resulting in reduced waste and increased productivity. Operated machinery, including Grinder, gas cutter, welding machine, pencil grinder etc, to fabricate items and comply with government guidelines.

SKILLS

- Grinders
- Fabrication
- Installation and maintenance
- Commercial pipefitting
- Welding
- Pipe Welding
- Gas cutting

WORK EXPERIENCES

❖ **Fitter** | Cochin Shipyard Ltd. (*Septembe 2019 – current*)

Fabricated pipe spools for butt weld, socket weld and threaded systems utilizing proper fit up techniques such as root openings on butt weld fittings and set back on socket weld fittings.

Fabricated and installed various types of supports for piping systems and implemented proper hanger spacing.

Followed safe work practices, which included fall protection and personal protective equipment.

Translated general notes in reference texts and drawings or schematics into concrete applications of technical principles resulting in exceptional efficiency or durability of systems installed.

Fabricated, assembled, installed and maintained piping systems.

Fabricated steel molds for concrete, including use of hand and power tools, welding operations and lifting equipment.

EDUCATION

- ❖ **ITI (Diploma) | Govt ITI Ettumanoor | (July 2019)**
- ❖ **VHSE | St.Ignatius V & H S S Kanjiramattom | (march 2017)**
- ❖ **10th | St.Ignatius V & H S S Kanjiramattom | (march 2015)**

DECLARATION

Ab I do declare that the above mentioned information is true to the best of my knowledge
